

English

In keeping with our topic, 'Once upon a time ...', the children will be reading the traditional tale 'The 3 Little Pigs'. They will take part in drama activities and begin to explore how they can innovate the story to create their own fictional writing. The children will also be reading 'Handas surprise'.

Our non-fiction writing this term will have cross-curricular links with Geography because the children will be using information sources to find out about homes around the world and then write simple reports.

History

In History, the children will explore the different types of houses and homes in their locality. They will look at different information sources to learn what a typical home looked like 100 years ago and compare this to the homes we live in today. The children will develop an understanding of different rooms and household objects from a long time ago.

Geography

This term the children will be thinking about houses and homes around the world. They will be thinking about how the geography and

Curriculum Web Year 1 – Term 4

This term the Year 1 topic is:
Once upon a time....

Science

In Science, the children will be identifying different materials. They will be distinguishing between an object and the material from which it is made. They will be identifying and naming a variety of everyday materials, including wood, plastic, glass, metal, water, and rock.

Religious Education

In R.E the children will continue their learning about Christianity and the stories that Jesus told. As we approach Easter, they will learn about Palm Sunday and The Easter Story.

Art

In Art, the children will be looking at the work of Austrian artist and architect Friedensreich

Maths

The children will be adding and subtracting within 20 - comparing and finding the difference. They will use number bonds; read, write, interpret and solve one-step problems. The children will work with fractions - recognise, find and name a half and a quarter as one of two or four equal parts. The children will be working with length and mass - comparing, describing, measuring, recording and solving practical problems.

P.E.

[PE will be on Tuesday and Thursday. Please ensure your child has their winter kit as the children will be doing PE outside \(Boom Active\) on a Thursday.](#)

Indoor P.E this term will be Gymnastics. The children will develop their balancing, climbing, jumping, travelling and rolling skills on floor mats and small apparatus. **Please could we remind you that your child's kit needs to be fully named to avoid confusion.**

PHSE

This term the children will be exploring the topic 'Healthy Me'. They will be learning about making healthy choices and keeping clean and healthy. They will also be thinking about medicine safety
