Dear Resident

East Sussex County Council have appointed Walker Construction (UK) Ltd as the principle contractor to construct new building extensions and additional car parking to Ark Blacklands Primary School.

We would like to take this opportunity to inform you of the forthcoming works over the next 27 weeks. We are now setting up the site in the school grounds in preparation to commence the construction activities.

The main works comprise:

- New 3 Classroom block
- Hall and store extension
- WC and Office extension
- Staff car park works

The works are being carried out during normal daytime hours to try and limit disturbance to residents and local businesses, we will try to minimise disruption as much as possible during these periods.

If you have any queries relating to the building works, please contact Walker's Liaison Officer between the hours of 08.00 and 17.00, Mr P Mclean on 01303 851111

Paul Mclean (site Manager)
