TERM 3 WEEK 6
9TH FEBRUARY 2018

Chocolate!

This week was the finale of the Year 2 chocolate topic; a visit from a real-life chocolatier! Kate from Sussex Cookery School came to run a series of experience workshops where the children got to learn about milk, dark and white chocolate and the difference between them. Then they did a chocolate quiz and flavoured and moulded their very own selection of chocolates to take home! Kate was very impressed with their knowledge of where chocolate comes from.

A huge thanks to FAB for part-funding the 3 days and to parents for their contributions.

Things that make me smile!

The first ever Blacklands Ukulele Club being such a great success! The students really enjoyed it and the ukuleles sound and look lovely.

Crafty Maths!

Parents and carers of Early Years and KS1 children are invited to attend a free-of-charge, practical 6-week course where they will make an assortment of resources and games to play at home with their children in order to help them develop early numeracy skills. The children will get to join their parents during the sessions.

When: Wednesdays, 9am to 11am, from 21st February to 28th March.

Please let the office know if you wish to attend.

Ukulele Club!

We are very excited to have a brand new set of ukuleles in school. Over the next few months all of year 4 will have the opportunity to join a lunch time club where they will learn to play them! Thank you to Miss Touze for leading this.

Call an Ambulance!

Reception children enjoyed a visit from the Ambulance Service today where they were able to have a look inside the ambulance and learn about how the crew help people.

KS2—Assembly

To mark the end of term, our KS2 children got to enjoy a lovely recorder concert in assembly. Thanks goes to Mrs Rodriguez for organising the event.
