PSHE - Friendship

Today we will be watching this video about friendships and learning about what makes a good friend.

<https://www.youtube.com/watch?v=TAL2JTVu-80>

The Tweenies are a group of friends. This means that they all play together in a kind way and make each other happy.

1. Who are your friends?

In the video, Bella was feeling sad because she felt left out. Her friends didn't want to play with her and so she acted in an unkind way.

Sometimes our friends don't want to play with us and are unkind, or we are unkind to our friends.

In the video the children realised that they had all been acting in unkind ways to each other.

2. What did they do to make things better and become friends again?

Our friends don't always want to play with us and that's okay, we should be kind friends anyway and say sorry if we hurt their feelings.

Answers
