Remote Learning Arrangements – EYFS

Dear Parents/ Carers,

Following my video message this morning, <https://youtu.be/2hUI82yIzzg>, I now have further details on the home learning support your child will be receiving from class teachers, as of Thursday 7th January.

A 'Daily Plan' outlining children's work will be uploaded by their teachers onto the **EExAT** platform each day. If you have misplaced the EExAT logins sent home last term, please email the office and these can be reissued. Parents can then also publish copies of their children's work on the EExAT journal for teachers to see.

Teachers are working hard to plan and upload lessons, which will include filmed elements, and these will be available from Thursday, and daily after that. As part of this, the teachers will be holding live online year group sessions each day via Microsoft Teams. These links will be available on the daily plan which can be found on the EExAT learning platform each day (you do not require a Microsoft Teams account to access these). The schedule for these sessions is:

Year Group	Live session
6	9.00 am
5	9.30 am
1	10.00 am
EYFS	10.30 am
2	11.00 am
4	1.00 pm
3	1.30 pm

If you would like to come and collect an exercise book for your child to complete their home learning in, please come to school and collect one between 10am and 2pm on Wednesday.

I would like to thank you all for your continued support and positivity during this exceptionally difficult time. It is much appreciated.
