

Ark Blacklands Primary Academy

Remote Learning Arrangements – Years 1-6

Dear Parents/ Carers,

Following my video message this morning, <https://youtu.be/2hUI82yIzzg>, I now have further details on the home learning support your child will be receiving from class teachers, as of Thursday 7th January.

Attached to this email is the guidance to setting up and using the online learning platform **Seesaw**. A 'Daily Plan' outlining children's work will be uploaded by their teachers onto this platform each day. If you have misplaced the Seesaw logins sent home last term, please email the office and these can be reissued.

Teachers are working hard to plan and upload lessons, which will include filmed elements, and these will be available from Thursday, and daily after that. As part of this, the teachers will be holding live online year group sessions each day via Microsoft Teams. These links will be available on the daily plan which can be found on the Seesaw learning platform each day (you do not require a Microsoft Teams account to access these). The schedule for these sessions is:

Year Group	Live session
6	9.00 am
5	9.30 am
1	10.00 am
EYFS	10.30 am
2	11.00 am
4	1.00 pm
3	1.30 pm

If you do not have access to a device (laptop, tablet etc.) for your child please contact the school on info@arkblacklandsprimary.org as we have some pupil devices that we can loan out to pupils in KS2.

In addition, if you would like to come and collect an exercise book for your child to complete their home learning in, please come to school and collect one between 10am and 2pm on Wednesday.

Full details of our response to the COVID-19 pandemic can be found on our website <https://arkblacklandsprimary.org/page-strips/communication-and-policies>

I would like to thank you all for your continued support and positivity during this exceptionally difficult time. It is much appreciated.

Best wishes,

Mrs Rankin
