

Dear Parents and carers,

This week during our daily phonics lessons the children have been learning the new sounds v, y, w and z. The image and handwriting phrase helps the children remember each sound.

Working with your child to practice recognising each sound will help them make speedy progress in phonics. Reading to your child daily is also a great tool for developing a love of reading which is essential for success in phonics.

This Read Write Inc video demonstrates how your child should pronounce each sound:
