

Thursday 23rd April 2020 <u>Home Learning – Year 2 - Week 1 – Thursday</u>	
Reading 	Read the poem on page 2 – ‘There’s a dragon in a wagon.’ Answer these questions in your book – 1) Who wrote the poem? 2) What should you not do? Explain why. 3) How could he be helpful/useful? Check all verses and give 2 ideas. 4) What is the author’s final piece of advice?
Writing 	Write instructions for how to care for a pet dragon. Remember to include A title, subheadings, A list of things you will need, numbered instructions, bossy verbs and explain why or how using conjunctions (when, if, that, because) A template is given below to guide you on page 3 and an example of how to write it on page 4.
Maths 	Use the 100 square on page 4 to calculate 10 more and 10 less. What do you notice about the tens digit? And what happens to the ones digit? Practise quick recall – adult says 10 more than 64 Child responds as quick as they can using 100 square to check if needed
Science 	In science we will be learning about materials (building materials) On page 5 there are description of different materials. Can you match the material to its description? Write these into your book and copy the description given or write it in your own words. Get an adult to help you use the internet to search the ones you do not know.
Fabulous Finish 	Don’t forget to do at least 20 minutes Reading for Pleasure! We recommend: Space Poems https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/ Times Tables: 2,5,10 mixed A 2do for this is set on purple mash you that you can practice. Spellings improve, parents, sugar, most, both, hour

There's a Dragon in a Wagon

by Brenda Williams

There's a dragon in a wagon,
And he has a big wide grin.
Whatever else you do,
You should not let him in!

Because...

You will not like the dragon's games
As from his mouth come fiery flames.
For he will set your house alight
Burning everything in sight!

So...

Keep him in the garden please!
Let him trample through the trees.
Let him light your big bonfire.
Let him watch the flames grow higher.

Because...

While he is a friendly fellow,
He blows out flames of red and yellow.
Let him light your barbecue.
Let him sausage-sizzle too.

But...

Never let a dragon in!
Let him smile and let him grin.
Let him melt the winter snow.
But then, my child... Please let him go!

Writing sheet

Use this sheet as a guide for what to include

Name: _____	Date: _____
Title: _____	
Materials Needed: _____ _____ _____ _____	_____
Instructions: 1. _____ _____ 2. _____ _____ 3. _____ _____ 4. _____ _____	

Example

Caring for a precious pet dragon

Materials needed:

- Sturdy cage
- Comfortable bedding
- Grey rough rock
- Water bowl and food bowl
- Strong lead

Instructions

- 1) Firstly, find a spacious area of your garden to place the sturdy cage in because when dragons like to have lots of open space. Also, when they get cross they can sometimes breathe out fire and it goes quite a distance!
- 2) Next, line the bottom of the cage with comfortable bedding so that your dragon feels happy and relaxed when going to bed.
- 3) After that, place the grey, rough rock to the side of the cage for when your dragon wants to perch and look around his surroundings. Dragons are noseey creatures you know.
- 4) Place a bowl by the cage and pour in some fresh water. Also, put the food bowl next to this. Dragons like to eat lots of delicious fruit and vegetables.
- 5) Finally, you are ready to bring your pet dragon home. Remember that dragons need lots of exercise and they need this daily.

Enjoy your pet dragon! They are wonderful, loyal creatures who just want to be loved.

Top Tip!

Dragons grow quite large so you need to make sure you have lots of space for it!

Maths sheet

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40

Use the 100 square to help you

10 less						
	23	55	60	91	18	47
10 more						

Science

Read each description on the right and find the material on the left. Then write your own description into your workbook

Match Up Building Materials

Match the words with the correct description of the different building materials.

Mortar

This is a transparent material used for letting light in and keeping the bad weather out.

Plastic

This is a thick paste made of sand, water and sometimes cement.

Glass

This material helps keep a house warm by being layered between other materials.

Fabric

This material comes in different colours, can be bendy, and melts when heated.

Foam

This material is made by being fired in a kiln. It is heavy and strong. It is used to make the walls of a house.

Wood

This material comes in many different sizes, colours and patterns. It is used for the soft furnishings in a house.

Metal

This material is easy to find. It can hold heavy loads. It is a natural material and comes from trees.

Bricks

It can be extremely strong and is sometimes shiny. It is often used to form the 'skeleton' of large buildings.
