

Thursday 2 <sup>nd</sup> July 2020 <b>Home Learning – Year 2 -Term 6- Week 5</b>	
Reading 	Today you will be reading The Hungry Caterpillar. Read the text on page 3. Then answer these questions: <ol style="list-style-type: none"> <li>1) What did the caterpillar build around himself?</li> <li>2) What did the caterpillar become?</li> <li>3) When did the caterpillar eat the oranges?</li> <li>4) When did the caterpillar get a stomachache?</li> <li>5) Why did the caterpillar look for some food?</li> </ol>
Writing 	Today you will start to write a wanted poster for a criminal and their crime. Imagine that the thieves had managed to steal the cow and the ladybird had not helped to catch them.  See the link for examples for wanted posters of pirates. <a href="https://www.google.com/search?q=wanted+poster+for+pirate&amp;rlz=1C1GCEA_enGB859GB864&amp;hl=en&amp;sxsrf=ALeKk02y6kBJiqWzqyAm9R3z1gdNBeeyHg:1592829594461&amp;source=lnms&amp;tbn=isch&amp;sa=X&amp;ved=2ahUKewilmKnRuJXqAhUITcAKHY8kD2IQ_AUoAXoECA8QAw&amp;biw=1280&amp;bih=578&amp;dpr=1.5&amp;safe=active&amp;ssui=on">https://www.google.com/search?q=wanted+poster+for+pirate&amp;rlz=1C1GCEA_enGB859GB864&amp;hl=en&amp;sxsrf=ALeKk02y6kBJiqWzqyAm9R3z1gdNBeeyHg:1592829594461&amp;source=lnms&amp;tbn=isch&amp;sa=X&amp;ved=2ahUKewilmKnRuJXqAhUITcAKHY8kD2IQ_AUoAXoECA8QAw&amp;biw=1280&amp;bih=578&amp;dpr=1.5&amp;safe=active&amp;ssui=on</a>  Remember, this is your task for tomorrow too, so maybe just draw the picture of a thief from the story What the Ladybird Heard and note down some ideas for today. Also, the more details in your picture, the more likely he is to be caught.
Maths 	In this lesson, we will be consolidating how to use the column method for addition and subtraction equations that require regrouping.  <b>Please click on the link below to access the lesson and task:</b> <a href="https://classroom.thenational.academy/lessons/consolidation-and-application-a4be34">https://classroom.thenational.academy/lessons/consolidation-and-application-a4be34</a>
Art 	Today, you are going to make your own ladybird anyway you wish.  Using paints, chalks, junk modelling or even your computer, create a picture of your own amazing ladybird like the one in our story.  Remember you can email in your work to <a href="mailto:info@arkblacklandsprimary.org">info@arkblacklandsprimary.org</a> . We would love to see the finished piece of work 😊
PE 	<b>Tune into a workout led by Joe Wicks most mornings at 9am!</b> <a href="https://www.youtube.com/user/thebodycoach1">https://www.youtube.com/user/thebodycoach1</a> <b>You could also try this week's challenges for the Virtual Sussex Games!</b> <a href="https://www.activesussex.org/virtual/">https://www.activesussex.org/virtual/</a>

**Maths: You've been practising your times tables quite a bit lately. This week, try testing yourself on your 2s, 5s, 10s and maybe even your 3s. Give yourself about 10-15 seconds to answer each question. Here is the link:**

**Spellings:**

Practise all this week's spelling words. Why not add some fun to practising them? You could write them in bubble writing, with different coloured pens, maybe you could use chalk, or you could practise them in pen. It's totally up to you.

# The Very Hungry Caterpillar by Eric Carle

In the light of the  moon a little  egg lays on a  leaf .

One **Sunday** morning the warm  sun comes up and - pop! - out of the egg comes a tiny and very hungry  caterpillar .

He starts to look for some  food.

On **Monday** he eats one  apple, but he is still hungry  .

On **Tuesday** he eats two  pears, but he is still hungry.

On **Wednesday** he eats three  plums, but he is still hungry.

On **Thursday** he eats four  strawberries, but he is still hungry.

On **Friday** he eats five  oranges, but he is still hungry.

On **Saturday** he eats one piece of  chocolate cake, one  ice cream,

one  pickle, one slice of  cheese, one slice of  salami,

one  lollipop, one piece of  cherry pie, one  sausage,

one  cupcake, and one slice of  watermelon.

That night he has  stomachache !

On Sunday the caterpillar eats one nice green  leaf, and he feels much better.

Now he isn't hungry- and he isn't a little caterpillar. He is a big fat caterpillar.

He builds a small house, called a  cocoon.

He stays in the cocoon  more than  two weeks. Then he comes out.....and.....

.....he is a  beautiful butterfly!
