**TERM 2 WEEK 4
29TH NOVEMBER 2019**

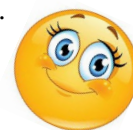

Mufti Days a Hit

What made me smile,

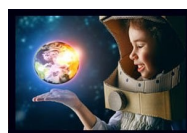

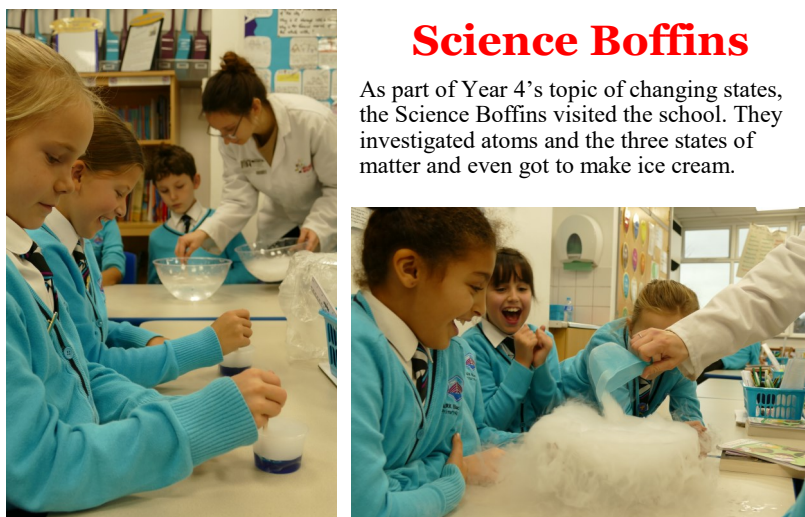

Still hearing year 6 talking about their future after the inspiring aspirations assembly when several speakers from all walks of life talked to the children about the jobs they do.

Natalie Rankin

Science Boffins

As part of Year 4's topic of changing states, the Science Boffins visited the school. They investigated atoms and the three states of matter and even got to make ice cream.

Earth and Space

Wonder Dome brought a planetarium dome into the school this week. An interactive show was played inside the dome about the solar system, sun and stars and what it was like to be an astronaut out in space.

**Christmas Lunch Yrs 3, 4, 5 and 6

**Don't
Forget!**

MKPA performed at the o2 Arena

Taking to the stage were a selection of Ark Blacklands Dance students along with external pupils. They showcased a 4 minute routine in front of world class top judges including scouts from Britain's Got Talent & Sky's Got to Dance in the Chance 2 Dance Competition.

One of Mrs Kimmy's students was awarded with a scholarship to participate in a prestige programme based in Italy, summer 2020.

They all behaved impeccably and danced to a high standard, gaining fantastic marks and feedback.

Mrs Kimmy from after school dance club choreographed the piece & Miss Winter attended on the day, helping to chaperone everyone involved.

Dates for your Diary

- EYFS nativity December 4th and 5th.
